Mayo Aviation Celebrates Grand Opening of New Office and Hangar Facility

Englewood, Colo. – September 18, 2002 - Today, Mayo Aviation celebrated the grand opening of a new headquarters office and hangar building. The event, in addition to celebrating the building, also honored its relationships with customers and vendors. Sharing in the activities were displays by Gulfstream Aerospace Corporation and FlightSafety International. The new facility is 32,000 square feet of which 12,000 square feet is office space and the remainder is hangar used for staging daily flights. The building was an addition to Mayo's existing buildings and gives it 85,000 square feet of space.

ABOUT MAYO AVIATION

Founded in 1978, Mayo Aviation provides aircraft management, charter services, aviation parts and aircraft maintenance and emergency medical transportation service. Headquartered at Centennial Airport in Colorado, Mayo Aviation serves more than 800 corporate clients worldwide and flies to 4,000 rural, suburban and urban destinations. With its high standards and commitment to safety, Mayo Aviation was recently recognized by Pro Pilot as one of the nation's 10 best charter services.
